 - One change of clothes (in case of accident)

Your child will need the following items to **keep at home**:

- Glue stick
- Crayons

- Scissors

In kindergarten we will be using an additional binder that will go home each day, aside from the 1" binder on the supply list. This binder will hold a pouch for money (fieldtrips, lunch), daily behavior log, homework, weekly newsletter, and any other important papers from school along with any work completed in class. I will be purchasing these binders before school starts in order to have them put together before the first day of school. Since this binder will be our main form of communication, it is a requirement. The price of the binder is \$6.00. You may bring this money in on the night of orientation or you may send it in the first week of school. **CASH ONLY PLEASE.**
